

Lab Technician

Reference number 7798

Continent Africa

Country Angola

Duration Between 1 and 2 years

Career Health and HIV/AIDS

Priority Normal

As a lab technician, you have the opportunity to contribute to the evangelistic and discipleship goals of the mission and the Angolan church by being involved in medical work alongside local believers. By serving in the hospital lab, you have the wonderful prospect of demonstrating the love of Jesus to the individuals around you and helping the Angolan staff to develop their skills.

Urgent Prayer Need

Pray for the country of Nigeria - for peace to be restored, and for the Lord's comfort for all those affected by the recent violence.
