Are you passionate about literature ministry? SIM Benin Togo needs you to coordinate their upcoming Pastors' Book Set project. This project will impact nearly 1200 pastors and Christian leaders by placing valuable ministry tools in their hands.

Literature has played a key role in SIM Benin-Togo's outreach and church growth strategy, with several Bible translation and literature projects currently in progress. SIM Benin-Togo and its national church partners, the Union of Evangelical Churches of Benin (UEEB) and the Independent Evangelical Church of Togo (EEIT), believe this project will transform the ministries of many pastors and church leaders often lacking the necessary tools for preaching and teaching.
