Do you love children and want them to learn about Jesus? This is a wonderful opportunity to be involved in a variety of children's ministries, such as weekly neighborhood Bible clubs, working with street children, and reaching out to secondary and university students through friendship evangelism, Bible studies, and discipleship.

Or would you like to love street girls into the kingdom of God? A school under the leadership of a Nigerian pastor and his wife is linked to a ministry for street girls. Here, the children of prostitutes are taught at a primary school level.

Or would you rather teach general subjects and Bible courses at a Nigerian school in Ouaga?

All of these are ways you could impact the lives of many with the Gospel! As you partner with the Burkinabe church in ministry, you will encourage and equip them to ultimately own these ministries themselves.
