Reference number 7264

Continent Africa

Country Burkina Faso

Duration More than 2 years

Career Evangelism and Church Growth

Priority Normal

Sport is a universal "language" and is a successful catalyst for introducing youth around the world to Jesus. If God has blessed you with a limber body and a love for youth, He can use you in fabulous ways in the lives of young people who normally would not listen to the Gospel.

Working (playing) alongside the local churches to set up sporting events, sports camps, and regular training sessions, you would have a great opportunity to build relationships with college and high school youth and to share Christ as opportunities arise. Will you do it?
