

Geography Teacher

Reference number 7131

Continent Africa
Country Ethiopia
Duration More than 2 years
Career Education
Priority Urgent

You will have the time of your life teaching Geography at Bingham Academy. Bingham serves the broad mission community by providing a high quality, culturally sensitive education within a Christian environment, and for the coming school year, we urgently need a qualified Geography teacher.

The student body comes from many countries and missions, as well as from the business and diplomatic communities. The rich mix of cultures represented by the student body affords a wonderful opportunity to teach children about Jesus and lay a foundation for future world church leadership. Bingham Academy offers a number of Social Studies courses, including Psychology, Sociology, Geography, History, Economics and Business Studies. You will teach Geography in grades 7 through 12. In grades 9 through 12, the Cambridge International Examinations curriculum is offered. Grades 9 and 10 lead to the IGCSE exams, and grades 11 and 12 lead to the Cambridge AS level exams. You must be willing to teach at least one additional subject up to Grade 8, according to need and your own qualifications.
