Would you use your God-given technical skills to give an unreached people group access to the Word of God? Since the Maninka are a largely non-literate people with an oral culture, Scripture recordings and evangelistic programmes have proven to be an effective method of outreach.

We need a competent, imaginative, and flexible person to spearhead the creation of easily understandable and culturally appropriate media programmes for cassettes and radio broadcasts. You would work with nationals and train them in this work. You will need to first spend adequate time in language and cultural orientation.
