What a tremendous impact you personally can have on the lives of millions of Nigerians. Through training their pastors, teachers, and missionaries, and through developing a youth work programme, you will have an immediate effect on your students and, through them, on ordinary Christians right across Northern Nigeria.

It isn't just lecturing in academic subjects; it also includes one-on-one mentoring and discipleship groups, as well as sponsoring and directing evangelism and church planting groups. For years, the Nigerian church has grown as missionaries have enabled Nigerian Christians to reach out, evangelise, and disciple their own people.

You could be part of an historic, cutting edge movement in this nation of 140 million people, equally divided between Christians and Muslims right in the 10/40 window.

Along with that, you will have plenty of opportunity for academic advancement. If you don't have a graduate degree, you will be encouraged to work towards one.

## Urgent Prayer Need

Pray for the country of Nigeria - for peace to be restored, and for the Lord's comfort for all those affected by the recent violence.
