Priority Time Sensitive

The adult literacy rate in South Sudan is one of the lowest in the world. You can help to rebuild this shattered society by training people from different language groups to write and produce literacy materials. We see literacy training as a vital part of our overall goals in South Sudan, and it is a wonderful entry strategy into the community for anyone with a heart for discipleship.

Urgent prayer need

Pray for those affected by the devastating floods in Pakistan, and for those who are seeking to help them.
