Priority Strategic

Have you been effective in discipling youth? Do you enjoy working with them? Here is a great opportunity for you!

In this role, you would work with older youth from 18 to 35 years of age who are part of the Evangelical Church of Zambia churches in the Copperbelt Province. You will use small groups as a means to facilitate discipleship among these young people and to train them to start other small groups.

Zambian youth are eager to learn, influenced by globalization, and represent the future health of the church in Zambia. There is a need to help them to apply their faith to real life situations and to share their faith with others. Would God be leading you here?
