Are you gifted with leadership skills? SIM Bangladesh has approval for our overall Community Resources Development Project from the government of Bangladesh. Our new program of this ongoing project is the Kushtia Development Program (KDP) which provides assistance, training, and resource development in a variety of areas that will enable and encourage the further development of the Kushtia urban community. We would like a Project Leader for the overall Kushtia Development Program (KDP).

You would be assisted by the other component workers in securing outside funding for the overall program. As the Project Leader, you will have overall responsibility for project reporting while being assisted by the expatriates working in the particular components. You would also be available to assist other component workers on an as-needed basis with a wide variety of personnel and project issues. Do you think God is nudging you in this direction?
