This is an amazing opportunity for a spiritually mature Principal who is dynamic, energetic, suitably qualified, and experienced! You can strongly impact young lives, both missionary children and Bolivians, while "educating for eternity" in the leading educational (pre-K-12) facility in Cochabamba, Bolivia.

As you invest in the lives of youth at Carachipampa Christian School, you will provide important support for missionary parents fulfilling the ministry vision of SIM Bolivia. Other mission organisations working in Cochabamba also benefit from this education support for their MKs.

You are urgently needed in the leadership of Carachipampa Christian School to coordinate curriculum, to maintain public relations with students, parents, and teachers, to be responsible for the academic and spiritual life of the school, and to maintain accreditation standards, etc.

Is God directing you to fill this vital position at our Christian school in Cochabamba? We need you!
