Do you feel burdened for people who do not yet know Jesus? Paraguay is a country with relatively little evangelical presence but a growing openness to the Gospel. If you feel that the Lord is urging you to begin new churches in areas that are essentially unreached, then this position may be for you. Nothing is more exciting than seeing people understand the love and grace of God for them!

The cities of Paraguay have some growing churches, but many areas and neighborhoods remain untouched. The rural areas are even more unreached. Many towns have no evangelical presence at all. This is a great opportunity to partner with us in seeking God's direction and empowering to start new churches in the interior regions.
