

All Year Alternative Gifts

Welcome to our alternative gifts catalogue

Thank you for choosing to give an alternative gift that will change the lives of people around the world. There are many to choose from, starting from just £5.

When you order, we will send you a high quality card, containing details of the relevant project, for each gift you purchase. For each gift you choose to buy, you can select one of the four cards shown (larger images are on the gift payment form) to personalise and give to the recipient of your gift.

You can see the selection of gifts by clicking on the shop now button below. For more information about the gift, and to buy a gift, click on the title of each one (in red) on the next page. Click on the 'buy' button, to then select the card design you would like before adding the gift to your shopping basket.

You can return to the gift catalogue to select other gifts by clicking on 'continue shopping'.

When you have finished shopping, click the 'purchase items' button to be taken through to our secure payment page.

You can give the gift as an individual, or why not get together with your family, home group or Sunday School to buy one of

the more expensive gifts. You might want to consider giving to the project represented by the gift on a regular basis.

The pictures shown are the choice of cards.
