

## Early Retirement

If you're over 50, you have a wealth of experience, maturity and spiritual insight to bring to an overseas assignment – perhaps you have spent some time working overseas in business in the past.

There are many healthy, skilled and active people today who have the ability and the time to give in service to God. Why not put your skills to good use in mission?

In some cultures, particularly in Africa, grey hair is an asset! You will be welcomed to offer leadership training and discipleship, and your experience and views will be valued and respected.

Perhaps God is asking you to use your skills and experience in a new setting?

## Urgent Prayer Need

Pray for the country of Nigeria - for peace to be restored, and for the Lord's comfort for all those affected by the recent violence.
