

## Wetheringsett Manor

Wetheringsett Manor is the operations centre for SIM–UK/Europe.

The ground floor of the Manor is made up of office space, a small seminar room, staff lounge, dining and toilet facilities.

The second floor is devoted entirely to office areas. The top floor of the Manor and a separate 'Stables' block make up the guesthouse facilities, which are used for residential training courses and visiting missionaries. Resident staff live in the cottage adjacent to the Manor.

The seminar room is suitable for around 15 people to sit in 'boardroom' style.

The staff lounge seats 20-25 people, in a more informal style.

These facilities are set in 17 acres of parkland, which includes one area set out as a small golf course, a football pitch and an outdoor swimming pool.

## Urgent Prayer Need

Pray for the country of Nigeria - for peace to be restored, and for the Lord's comfort for all those affected by the recent violence.
