

Vision

Through eyes of faith we see people from all nations, tribes, and languages, worshipping around the throne of God. In areas where we are given responsibility, we see SIM, empowered by God, vigorously engaged in:

Evangelism

We see every child, woman and man having the opportunity to hear, understand and joyfully respond to the Good News and become a part of a local church fellowship.

Discipleship

We see these believers growing in Christ, through obedience to the Scriptures, committed to nurturing Christlikeness in others and equipping them to make disciples.

Ministry to human need

We see lives, families, churches and communities transformed, as people embrace a biblical worldview and respond to the unconditional love of God demonstrated in ministries to human need.

Partnering in mission

We see churches to which SIM relates empowered to fulfil their missionary potential with SIM as a catalyst, assisting them through creative, interdependent partnerships.

By Prayer
The glory of
God in the
worldwide
church is our
highest
vision...
